

## SOLOWIN to Jointly Launch US\$100M Bitcoin Quantitative Fund with Antalpha

August 13, 2025 12:00 PM EDT

*Strategic collaboration targets US\$100M in assets under management through algorithmic Bitcoin trading*

HONG KONG, Aug. 13, 2025 (GLOBE NEWSWIRE) -- SOLOWIN HOLDINGS (NASDAQ: SWIN) ("Solowin" or the "Company"), a leading financial services firm providing comprehensive solutions across traditional and digital assets, today announced its plan to launch a joint Bitcoin quantitative fund with [Antalpha](#), a Singapore-based global leader in digital asset management. The proposed fund targets US\$100 million in assets under management (AUM) and employs a data-driven, algorithmic trading strategy to invest in Bitcoin.

Through its regulated subsidiary Solomon JFZ (Asia) Holdings Limited, Solowin offers high-net-worth and institutional investors a full range of financial services across both traditional and digital asset markets. With a strong presence in Hong Kong, the firm provides corporate finance, wealth management, asset management, and Web3 solutions. Its Solomon VA+ platform is the first in the region to integrate traditional and virtual asset trading with wealth management, enabling clients to manage diversified portfolios within a single ecosystem.

Antalpha is a leading fintech company providing financing, technology, and risk management solutions to institutions in the digital asset industry. As the primary lending partner of Bitmain—a leading designer of [application-specific integrated circuit](#) (ASIC) chip for [Bitcoin mining](#), Antalpha offers Bitcoin supply chain and margin loans via the Antalpha Prime platform, which enables clients to originate and manage digital asset loans and monitor collateral positions with near real-time data.

### About SOLOWIN HOLDINGS

**SOLOWIN HOLDINGS (NASDAQ: SWIN)** is a leading financial services firm providing comprehensive solutions across traditional and digital assets. Founded in 2016, it has delivered a unique, full-spectrum ecosystem that seamlessly bridges traditional and decentralized finance, tailored to the evolving demands of the next-generation global economy. Leveraging its Hong Kong Securities and Futures Commission (SFC) licensed subsidiaries with full digital asset capabilities, the Company operates a robust Web3 Infrastructure Division. Through its self-developed, vertically integrated, enterprise-grade platform, Solowin delivers compliance traditional finance (TradFi), real-world asset (RWA) tokenization, and global digital payment solutions—solidifying its role as a key player in reshaping global finance through a seamless Web3-to-TradFi ecosystem.

### Forward-Looking Statements

Certain statements in this announcement are forward-looking statements. These forward-looking statements involve known and unknown risks and uncertainties and are based on the Company's current expectations and projections about future events that the Company believes may affect its financial condition, results of operations, business strategy and financial needs. We have attempted to identify these forward-looking statements by words or phrases such as "may," "will," "expect," "anticipate," "aim," "estimate," "intend," "plan," "believe," "is/are likely to," "potential," "continue" or other similar expressions. The Company undertakes no obligation to update or revise publicly any forward-looking statements to reflect subsequent occurring events or circumstances, or changes in its expectations that arise after the date hereof, except as may be required by law. These statements are subject to uncertainties and risks including, but not limited to, the uncertainties related to market conditions and other factors discussed in the Company's filings with the U.S. Securities and Exchange Commission (the "SEC") including the "Risk Factors" section of the Company's most recent Annual Report on Form 20-F as well as in its other reports filed or furnished from time to time with the SEC. Although the Company believes that the expectations expressed in these forward-looking statements are reasonable, it cannot assure you that such expectations will turn out to be correct, and the Company cautions investors that actual results may differ materially from the anticipated results and encourages investors to review other factors that may affect its future results in the Company's filings with the SEC, which are available for review at [www.sec.gov](http://www.sec.gov).
