Form 20-F Form 40-F

On June 2, 2026, SOLOWIN HOLDINGS (the “Company”) issued Pre-Paid Purchase #2 (“PPP #2”) to Streeterville Capital, LLC (the “Investor”) pursuant to that certain Securities Purchase Agreement dated February 9, 2026 (the “Purchase Agreement”) previously disclosed on the Company’s Current Report on Form 6-K filed on February 9, 2026. PPP #2 is one of the pre-paid purchases (the “Pre-Paid Purchases”) that the Company may issue and sell to the Investor under the Purchase Agreement in connection with the sale of the Company’s Class A ordinary shares, par value \$0.0001 per share (the “Class A Shares”). In connection with the issuance of PPP #2, the Company and the Investor also entered into a letter agreement (the “Side Letter”).

PPP #2 has a principal amount of \$6,480,000, which includes an original issue discount of \$480,000. The purchase price for PPP #2 is \$6,000,000. PPP #2 will accrue interest at the rate of eight percent (8%) per annum. PPP #2 is unsecured. The proceeds from PPP #2 are expected to be used for working capital and other corporate purposes.

On or before September 1, 2026, the Company may make monthly cash payments of \$900,000 on the first day of each calendar month while any balance remains outstanding (the “Amortization Payments”). If the Company fails to make any Amortization Payment by the applicable due date, the Investor has the right to require the Company to issue and sell Class A Shares in the respective calendar month, in an aggregate amount (the “Purchase Amount”) up to the higher of (i) \$900,000 or (ii) ten percent (10%) of the aggregate dollar trading volume of the Company’s Class A Shares on all trading markets for the immediately preceding calendar month. The purchase price per Class A Share will be 85% of the lower of (i) the closing trade price on the trading day immediately prior to the purchase notice date, or (ii) the average of the daily VWAPs during the ten (10) trading days immediately prior to the purchase notice date (the “Per Share Purchase Price”). The Investor shall pay the purchase price of the Class A Shares by offsetting the Purchase Amount against the outstanding balance under PPP #2. In no event may the Investor beneficially own, together with its affiliates, more than 9.99% of the Company’s outstanding Class A Shares as a result of any share issuance under PPP #2. If the Company repays more than fifty percent (50%) of the purchase price of PPP #2 in cash through Amortization Payments, all subsequent Amortization Payments will be subject to a twenty-five percent (25%) payment fee.

The Company may, upon five (5) trading days’ prior written notice, prepay in cash all of the outstanding balance under PPP #2 in an amount equal to 110% of the outstanding balance. Any remaining outstanding balance is due and payable in cash on the first anniversary of the date on which the PPP #2 purchase price is delivered to the Company.

Pursuant to the Side Letter, the Company agreed to issue and sell 1,000,000 Class A Shares to the Investor for a purchase price of \$0.0001 per share (the “Additional Pre-Delivery Shares”) within five (5) business days of execution of the Side Letter. The Additional Pre-Delivery Shares are subject to the same terms and provisions set forth in Section 10 of the Purchase Agreement, including restrictions on transfer and the Company’s repurchase right upon repayment of all Pre-Paid Purchases.

The Side Letter also provides that until such time as all Pre-Paid Purchases have been paid in full and the Purchase Agreement has been terminated, the Company shall not directly or indirectly make, permit, authorize, accelerate, compromise, settle, offset, exchange, restructure or otherwise transfer any value in respect of any earnout payments owed in connection with the Company’s acquisition of AlloyX Limited. Any breach or default by the Company of any term or provision of the Side Letter will be deemed a Trigger Event under all outstanding Pre-Paid Purchases.

The Class A Shares issuable pursuant to PPP #2, as well as the Additional Pre-Delivery Shares, are being offered by the Company pursuant to an effective shelf registration statement on Form F-3 (File No. 333-282552), as amended (the “Shelf Registration Statement”), which became effective on November 8, 2024, and pursuant to a prospectus supplement filed with the Securities and Exchange Commission.

Upon the occurrence of a trigger event as defined in the Purchase Agreement (the “Trigger Event”), the Investor may increase the outstanding balance by ten percent (10%) for each Trigger Event occurrence, provided that the Trigger Effect may be applied up to three (3) times (the “Trigger Effect”). Following any Trigger Event, the Investor may provide written notice to the Company demanding that the Company cure the Trigger Event within ten (10) calendar days. If the Company fails to cure the Trigger Event within such cure period, the Trigger Event will automatically become an event of default under the Purchase Agreement. Upon an event of default, the Investor may accelerate the outstanding balance, making such amount immediately due and payable in cash at the mandatory default amount, which equals the outstanding balance after application of the Trigger Effect, and the interest will accrue at a rate of the lesser of eighteen percent (18%) per annum or the maximum rate permitted under applicable law.

A copy of PPP #2 is attached hereto as Exhibit 10.1, and a copy of the Side Letter is attached hereto as Exhibit 10.2. Each is incorporated herein by reference. The foregoing summary of the terms of PPP #2 and the Side Letter is not complete and is qualified in its entirety by reference to such documents.

The information contained in this report on Form 6-K is hereby incorporated by reference into the Shelf Registration Statement and shall be a part thereof from the date on which this report is furnished, to the extent not superseded by documents or reports subsequently filed or furnished. This report on Form 6-K shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation, or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or jurisdiction.

FOR VALUE RECEIVED, SOLOWIN HOLDINGS, an exempted company incorporated under the laws of the Cayman Islands with limited liability (“**Company**”), promises to pay to STREETERVILLE CAPITAL, LLC, a Utah limited liability company, or its successors or assigns (“**Investor**”), \$6,480,000.00 and any interest, fees, charges, and late fees accrued hereunder in accordance with the terms set forth herein and to pay interest on the Outstanding Balance at the rate of eight percent (8%) per annum simple interest from the Purchase Price Date until the same is paid in full. All interest calculations hereunder shall be computed on the basis of a 360-day year comprised of twelve (12) thirty (30) day months and shall be payable in accordance with the terms of this Pre-Paid Purchase #2 (this “**Pre-Paid Purchase**”), which is issued and made effective as of the date set forth above (the “**Effective Date**”). This Pre-Paid Purchase is issued pursuant to that certain Securities Purchase Agreement dated February 9, 2026, as the same may be amended from time to time, by and between Company and Investor (the “**Purchase Agreement**”). Certain capitalized terms used herein are defined in Attachment 1 attached hereto and incorporated herein by this reference.

This Pre-Paid Purchase carries an original issue discount of \$480,000.00 (“**OID**”). The OID is included in the initial principal balance of this Pre-Paid Purchase and is deemed to be fully earned and non-refundable as of the Purchase Price Date.

1. Payment Terms.

1.1. Payment. All payments owing hereunder shall be in lawful money of the United States of America, as provided for herein, and delivered to Investor at the address or bank account furnished to Company for that purpose. All payments shall be applied first to (a) costs of collection, if any, then to (b) fees and charges, if any, then to (c) accrued and unpaid interest, and thereafter, to (d) principal.

1.2. Amortization Payments. On or before September 1, 2026, and on the first day of each calendar month thereafter so long as there is an Outstanding Balance under this Pre-Paid Purchase (each of September 1, 2026 and the first day of each calendar month thereafter, an “**Amortization Date**”), Company may make a monthly cash payment of \$900,000.00 (the “**Monthly Cash Payment Amount**”). So long as Investor receives the Monthly Cash Payment Amount on or before the applicable Amortization Date (each instance, an “**Amortization Payment**”), then Investor may not submit any Purchase Notices for such calendar month. Notwithstanding the foregoing, if at any time Company has repaid in cash more than fifty percent (50%) of the Purchase Price (i.e., \$3,000,000.00) through Amortization Payments, then all subsequent Amortization Payments shall be subject to a payment fee of twenty-five percent (25%).

1.3. Prepayment. Notwithstanding the foregoing, with five (5) Trading Days’ prior written notice Company may prepay all of the Outstanding Balance (less such portion of the Outstanding Balance for which Company has received a Purchase Notice from Investor where the applicable Purchase Shares have not yet been delivered). For the avoidance of doubt, during the five (5) Trading Day prepayment notice period, Investor shall retain the right to submit Purchase Notices, if applicable. If Company exercises its right to prepay all of the Outstanding Balance, Company shall make payment to Investor of an amount in cash equal to one hundred ten percent (110%) multiplied by the Outstanding Balance. Company will lose the right to prepay this Pre-Paid Purchase if Company elects to prepay this Pre-Paid Purchase and fails to do so on the date set forth in the prepayment notice sent to Investor.

1.4. Maturity Date. Any remaining Outstanding Balance will be due and payable in cash on the date that is one (1) year from the Purchase Price Date.

2. Security. This Pre-Paid Purchase is unsecured.

3. Investor Purchases; Closings.

3.1. Purchases; Purchase Mechanics. Upon the terms and subject to the conditions of this Pre-Paid Purchase, Investor, if it does not receive the Monthly Cash Payment Amount by any applicable Amortization Date (each such instance, a “**Failed Amortization Payment**”), shall have the right, in whole or in part, exercisable in its sole discretion, to purchase from Company, and Company shall issue and sell to Investor, Purchase Shares by the delivery to Company of Purchase Notices as provided herein.

(a) Purchase Notice. At any time during any calendar month with a Failed Amortization Payment, Investor may, by providing written notice to Company in the form set forth on Exhibit A attached hereto (each, a “**Purchase Notice**”), require Company to issue and sell Purchase Shares to Investor, in accordance with the following provisions:

(i) Investor shall, in each Purchase Notice, indicate the portion of the Outstanding Balance that Investor elects to apply to the purchase of Purchase Shares pursuant to this Pre-Paid Purchase (each, a “**Purchase**”, and such amount, the “**Purchase Amount**”), *provided*, that, the aggregate Purchase Amount of all Purchase Notices shall not exceed the higher of (i) the Monthly Cash Payment Amount, or (ii) ten percent (10%) of the aggregate dollar trading volume of Company’s Class A Shares on all trading markets for the immediately preceding calendar month, and *provided further*, that the Purchase Amount shall not exceed the Outstanding Balance, or result in Investor exceeding the limitation set forth in Section 3.1(b).

(ii) Each Purchase Notice shall be delivered to Company in accordance with the notice provisions set forth in the Purchase Agreement.

(iii) Each Purchase Notice shall set forth the Purchase Amount, the Purchase Share Purchase Price, the number of Purchase Shares to be issued by Company and purchased by Investor, and the remaining Outstanding Balance following the Closing (as defined below) of the Purchase.

(iv) Any Purchase Shares issued hereunder must be issued free trading to Investor pursuant to: (1) an effective registration statement; or (2) an applicable exemption from registration (e.g., Rule 144).

(b) Ownership Limitation. Notwithstanding anything to the contrary contained in this Pre-Paid Purchase or the other Transaction Documents (as defined in the Purchase Agreement), Company shall not effect any issuance of Purchase Shares pursuant to this Pre-Paid Purchase to the extent that after giving effect to such issuance would cause Investor (together with its affiliates) to beneficially own a number of Class A Shares exceeding 9.99% of the number of Class A Shares outstanding on such date (including for such purpose the Class A Shares issuable upon such issuance) (the “**Maximum Percentage**”). For purposes of this section, beneficial ownership of Class A Shares will be determined pursuant to Section 13(d) of the 1934 Act (as defined in the Purchase Agreement). The Maximum Percentage is enforceable, unconditional and non-waivable and shall apply to all affiliates and assigns of Investor.

3.2. Closings. The closing of each purchase and sale of Purchase Shares (each, a “**Closing**”) shall take place in accordance with the procedures set forth below:

(a) Promptly after receipt of a Purchase Notice with respect to each Purchase (and, in any event, not later than two (2) Trading Days after such receipt), Company will allot and issue the relevant number of Purchase Shares and will, or will cause its transfer agent to, electronically transfer such number of Purchase Shares to be purchased by Investor (as set forth in the Purchase Notice) by crediting Investor’s account or its designee’s account at DTC through its DWAC system or by such other means of delivery as may be mutually agreed upon by the parties hereto, and transmit notification to Investor that such share allotment, issue and transfer has been requested. Promptly upon receipt of such notification, Investor shall pay to Company the aggregate purchase price for the Purchase Shares (as set forth in the Purchase Notice) by offsetting the Purchase Amount against an equal amount outstanding under this Pre-Paid Purchase (first towards accrued and unpaid interest, if any, and then towards outstanding principal as shown in such Purchase Notice). No fractional shares shall be issued, and any fractional amounts shall be rounded to the nearest whole number of shares. To facilitate the transfer of the Purchase Shares by Investor, the Purchase Shares will not bear any restrictive legends so long as there is an effective registration statement or an available exemption from registration for the resale of such Purchase Shares (it being understood and agreed by Investor that notwithstanding the lack of restrictive legends, Investor may only sell such Purchase Shares in compliance with the requirements of the Securities Act (including any applicable prospectus delivery requirements)).

(b) In connection with each Closing, each of Company and Investor shall deliver to the other all documents, instruments and writings expressly required to be delivered by either of them pursuant to this Pre-Paid Purchase in order to implement and effect the transactions contemplated herein.

4. Trigger Events; Defaults; Remedies.

4.1. Trigger Events. The following are trigger events under this Pre-Paid Purchase (each, a “**Trigger Event**”): (a) Company fails to pay any principal, interest, fees, charges, or any other amount when due and payable hereunder; (b) a receiver, trustee or other similar official shall be appointed over Company or a material part of its assets and such appointment shall remain uncontested for twenty (20) days or shall not be dismissed or discharged within sixty (60) days; (c) Company becomes insolvent or generally fails to pay, or admits in writing its inability to pay, its debts as they become due, subject to applicable grace periods, if any; (d) Company makes a general assignment for the benefit of creditors; (e) Company files a petition for relief under any bankruptcy, insolvency or similar law (domestic or foreign); (f) an involuntary bankruptcy proceeding is commenced or filed against Company; (g) Company fails to observe or perform any covenant set forth in Section 4 of the Purchase Agreement; (h) the occurrence of a Fundamental Transaction without Investor’s prior written consent; (i) Company fails to timely establish and maintain the Share Reserve (as defined in the Purchase Agreement); (j) Company fails to deliver any Purchase Shares for any reason in accordance with the terms hereof; (k) any money judgment, writ or similar process is entered or filed against Company or any subsidiary of Company or any of its property or other assets for more than \$500,000.00, and shall remain unvacated, unbonded or unstayed for a period of twenty (20) calendar days unless otherwise consented to by Investor; (l) Company fails to be DWAC Eligible; (m) Company or any subsidiary of Company, breaches any covenant or other term or condition contained in any Other Agreement in any material respect; (n) Company defaults or otherwise fails to observe or perform any covenant, obligation, condition or agreement of Company contained herein or in any other Transaction Document (as defined in the Purchase Agreement) in any material respect, other than those specifically set forth in this Section 4.1 or Section 4 of the Purchase Agreement; (o) any representation, warranty or other statement made or furnished by or on behalf of Company to Investor herein, in any Transaction Document, or otherwise in connection with the issuance of this Pre-Paid Purchase is false, incorrect, incomplete or misleading in any material respect when made or furnished; (p) at any time prior to the six (6) month anniversary of the Purchase Price Date, Company’s shelf registration statement on Form F-3 (File No. 333-282552) or the Rule 424(b) prospectus filed by Company to register the Purchase Shares is suspended, halted, declared ineffective or otherwise unavailable for Investor to sell Purchase Shares; (q) a non-management supported preliminary proxy is filed against Company; and (r) Company or any subsidiary of Company, breaches any material covenant or other material term or condition contained in any Other Agreements.

4.2. Trigger Event Remedies. At any time following the occurrence of any Trigger Event, Investor may, at its option, increase the Outstanding Balance by applying the Trigger Effect (subject to the limitation set forth below).

4.3. Defaults. At any time following the occurrence of a Trigger Event, Investor may, at its option, send written notice to Company demanding that Company cure the Trigger Event within ten (10) days of receipt of such notice. If Company fails to cure the Trigger Event within the required ten (10) day cure period, the Trigger Event will automatically become an event of default hereunder (an “**Event of Default**”).

4.4. Default Remedies. At any time and from time to time following the occurrence of any Event of Default, Investor may accelerate this Pre-Paid Purchase by written notice to Company, with the Outstanding Balance becoming immediately due and payable in cash at the Mandatory Default Amount. Notwithstanding the foregoing, upon the occurrence of any Event of Default described in clauses (b) – (f) of Section 4.1, an Event of Default will be deemed to have occurred and the Outstanding Balance as of the date of the occurrence of such Event of Default shall become immediately and automatically due and payable in cash at the Mandatory Default Amount, without any written notice required by Investor for the Trigger Event to become an Event of Default. At any time following the occurrence of any Event of Default, upon written notice given by Investor to Company, interest shall accrue on the Outstanding Balance beginning on the date the applicable Event of Default occurred at an interest rate equal to the lesser of eighteen percent (18%) per annum or the maximum rate permitted under applicable law (“**Default Interest**”). Notwithstanding the foregoing, and for the avoidance of doubt, Investor may continue making Purchases pursuant to Section 3 at any time following an Event of Default until such time as the Outstanding Balance is paid in full. In connection with acceleration described herein, Investor need not provide, and Company hereby waives, any presentment, demand, protest or other notice of any kind, and Investor may immediately and without expiration of any grace period enforce any and all of its rights and remedies hereunder and all other remedies available to it under applicable law. Such acceleration may be rescinded and annulled by Investor at any time prior to payment hereunder and Investor shall have all rights as a holder of the Pre-Paid Purchase until such time as this Pre-Paid Purchase is paid in full. No such rescission or annulment shall affect any subsequent Event of Default or impair any right consequent thereon. Nothing herein shall limit Investor’s right to pursue any other remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to Company’s failure to timely deliver Purchase Shares pursuant to a Purchase as required pursuant to the terms hereof.

5. Unconditional Obligation; No Offset. Company acknowledges that this Pre-Paid Purchase is an unconditional, valid, binding and enforceable obligation of Company not subject to offset, deduction or counterclaim of any kind. Company hereby waives any rights of offset it now has or may have hereafter against Investor, its successors and assigns, and agrees to make the payments or Purchases called for herein in accordance with the terms of this Pre-Paid Purchase.

6. Waiver. No waiver of any provision of this Pre-Paid Purchase shall be effective unless it is in the form of a writing signed by the party granting the waiver. No waiver of any provision or consent to any prohibited action shall constitute a waiver of any other provision or consent to any other prohibited action, whether or not similar. No waiver or consent shall constitute a continuing waiver or consent or commit a party to provide a waiver or consent in the future except to the extent specifically set forth in writing.

7. Opinion of Counsel. In the event that an opinion of counsel is needed for Purchases under this Pre-Paid Purchase, Investor has the right to have any such opinion provided by its counsel.

8. Governing Law; Venue. This Pre-Paid Purchase shall be construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Pre-Paid Purchase shall be governed by, the internal laws of the State of Utah, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Utah or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Utah. The provisions set forth in the Purchase Agreement to determine the proper venue for any disputes are incorporated herein by this reference.

9. Arbitration of Disputes. By its issuance or acceptance of this Pre-Paid Purchase, each party agrees to be bound by the Arbitration Provisions (as defined in the Purchase Agreement) set forth as an exhibit to the Purchase Agreement.

10. Cancellation. After repayment of the entire Outstanding Balance, this Pre-Paid Purchase shall be deemed paid in full, shall automatically be deemed canceled, and shall not be reissued.

11. Amendments. The prior written consent of both parties hereto shall be required for any change or amendment to this Pre-Paid Purchase.

12. Assignments. Company may not assign this Pre-Paid Purchase without the prior written consent of Investor. This Pre-Paid Purchase and any Purchase Shares issued upon Purchase of this Pre-Paid Purchase may be offered, sold, assigned or transferred by Investor without the consent of Company.

13. Notices. Whenever notice is required to be given under this Pre-Paid Purchase, unless otherwise provided herein, such notice shall be given in accordance with the subsection of the Purchase Agreement titled "Notices."

14. Liquidated Damages. Investor and Company agree that in the event Company fails to comply with any of the terms or provisions of this Pre-Paid Purchase, Investor's damages would be uncertain and difficult (if not impossible) to accurately estimate because of the parties' inability to predict future interest rates, future share prices, future trading volumes and other relevant factors. Accordingly, Investor and Company agree that any fees, balance adjustments, Default Interest or other charges assessed under this Pre-Paid Purchase are not penalties but instead are intended by the parties to be, and shall be deemed, liquidated damages (under Investor's and Company's expectations that any such liquidated damages will tack back to the Purchase Price Date for purposes of determining the holding period under Rule 144).

15. Severability. If any part of this Pre-Paid Purchase is construed to be in violation of any law, such part shall be modified to achieve the objective of Company and Investor to the fullest extent permitted by law and the balance of this Pre-Paid Purchase shall remain in full force and effect.
